Dear Parents and carers,

I hope you and your children are safe and well. I know that the lockdown situation is extremely challenging for everyone.

We are working with and following guidance from the Local Authority and Governing Body. They have indicated that on 1 June 2020 school will be open for key worker and vulnerable children if it is safe to do so.

On 15 June 2020 it is anticipated we will be open to Year 6 pupils, if it is safe to do so.

These dates are under constant review and other year groups will only be able to return when it is safe to do so.

The children, their safety and wellbeing are our priority. We recognise that the situation is hard and information is available on the school website.

I know you appreciate that we must ensure the safety of all when making decisions on when it is safe for children to return.

We will continue to keep you updated regularly via the website and parentApp. For further guidance please also refer to Liverpool Council website.

Yours sincerely

A Connearn
Headteacher
