Wednesday 10th February 2021

Dear Parent/Carer,

School closes for one week on Friday 12th February.

This half term has been a challenging time for everyone. The staff in school have been teaching online as well as in class. They have been phoning families and, in some cases, they have been out to your homes.

You, as parents, have been working with your children at home and helping them with their school work. We thank you very much for the work you have done with them. We know that it has been difficult for many of you to have your children at home for such a long time. We hope that they will be able to come back to school very soon.

A big well done to those children who have still been able to come to school. We have enjoyed having them in school with us.

The government has told us that schools will remain closed until at least the 8th March. We will let you know as soon as we have any more details.

After the half term holiday, learning packs will be delivered to the children at home and online learning on Seesaw and Zoom will continue. The children who are attending school now can continue to attend after the half term holiday on the 22nd February.

If you need support from school, please telephone or call in to the school office and we will try our best to help you.

In the meantime, take care and we hope to see you all very soon.

Yours sincerely,

Mrs A Flood
Deputy head teacher
