

Dear Year 6 Parents

Please find below a link to an anonymous survey regarding your recent experience of the secondary school admission and appeals process in Liverpool:

https://ljmupsych.qualtrics.com/jfe/form/SV_9o5PpLZKaWAmQag

This is an independent piece of research carried out by Liverpool John Moores University Legal Advice Centre, who will report their findings, based on the information families provide, to Liverpool City Council. This will be used to better understand what is working for parents, and what areas may need further support/work.

Paper copies are available if required and once complete please return these to p.j.twigg@ljmu.ac.uk.

There is also a participant information sheet attached which we would ask that you read before completing the survey.

Your response is very much appreciated.
