Mission Statement

Our school aims to be a community which reflects real gospel values of love and forgiveness. A community in which each individual, child or adult, can work in an atmosphere of mutual respect and understanding; so as to broaden their appreciation of the world, its cultures and its people.

Every day ... Growing in God's Love

Our Aims for Equality and Diversity

We aim to:

- Maintain and promote a working partnership between the school, parents, and community.
- Help the children understand the world in which they live, have mutual; respect for the values of others and work together as a team.
- To ensure that everyone, whatever their needs and capabilities, is included and catered for.
- To value each individual and recognise and respect to the needs of all children.

Defining Equality and Diversity

Equality

Equality is about fairness and equality of opportunity and advancing equality of opportunity involves treating people differently. People should not be treated the same. Some people may need extra help or adjustments to be part of the school community; this includes teachers, support staff, cleaning or catering staff employed at the school as well as pupils, parents and school governors.

Relating to the Equality Act (2010) there are nine 'protected characteristics' these are age; disability, gender reassignment (transgender), marriage/civil partnership, pregnancy/maternity, race, religion and belief (and having no belief), sex (gender) and sexual orientation.

Under the general duty schools must exercise 'due regard' in respect of each of the nine protected characteristics to: -

1. Eliminate unlawful discrimination and harassment
2. Advance equality of opportunity
3. Foster good relations between different groups

Diversity

Diversity is about valuing people as individuals and learning from our differences. Our differences can be visible and non-visible. By promoting diversity, we can meet different needs creatively to ensure opportunities are available to all and potential is fulfilled and by promoting a diversity friendly school culture we are able to meet our school's aims and objectives more efficiently.

Culture is about the way we behave towards one another – school governors, all employees in the school, parents, pupils and the whole school community. It is about how we treat one another and respect our differences. Promoting diversity and a diversity friendly culture helps to create a more productive school community.

Purpose and Scope of the Policy

This policy sets out St Hugh's Catholic Primary School's commitment to promoting equality and diversity.

- Liaising with groups from the local community.
- Monitoring and reviewing of this policy will take place annually and will be made accessible through the school website or will be made available in an alternative format as requested.
- Providing a school Community Welfare Officer to work closely and engage with parents from all groups and develop links within the community.

The policy applies to:
