

Dear Parents and Carers,

I am writing to remind everyone about the importance of safe and considerate parking around the school, particularly during drop-off and pick-up times. Recently, we have noticed an increasing number of vehicles stopping or parking on the yellow zigzag lines outside the school entrance and double parking with cars already parked.

These markings are in place for a very important reason: they help ensure that children have a clear, unobstructed view of the road when crossing, and that drivers can see pedestrians easily. Parking on these lines, even for a short period, creates significant safety risks for all our children.

To help keep everyone safe, we kindly ask that you:

- Do not park or stop on the yellow zigzag lines at any time.
- Allow extra time for parking further away from the school if needed.
- Be mindful of local residents.

The safety of our children is a responsibility we all share and your co-operation makes a real difference in protecting them.

Thank you for your understanding and continued support.

Kind regards,

Miss A Connearn

Executive Headteacher
